

# PTA Budget Expenditure Request

Name: Lisa McGarry	Committee: Wellness Committee
Proposed Activity/Event/Purchase: We as a committee are holding quarterly wellness competitions for the faculty and the students. We would like to provide the winners with a healthy party including fruits, veggies, and healthy drink options. We also would like to provide each faculty member with a pedometer to keep and use for these competitions as well as their own health needs outside of school.	
Tentative Dates/Times: 3rd quarter and 4th quarter	
Purpose: To promote health and wellness throughout our school and the community.	
How will this enhance the educational experience of the PHCSE Community? The students and faculty will be learning about ways to stay active in the classroom as well as the gym. The active atmosphere will help increase students and faculty alertness and energy as well as brain function!	
Who will it primarily benefit? The students and faculty	
Total Expected Cost: <u>\$200-\$500 it depends</u>
