Apple Harvest	Baby Powder	Black Cherry	Cinnamon Stick	Cranberry Woods	Fresh Bamboo	Georgia Peach	Hazelnut Coffee	Jamaica Me Crazy	Lavender Chamomile
• Our Apple Harvest is a true, ripe apple scent combined with bright fruit notes and just a touch of spice. It has year-round appeal but is especially nice around apple picking time.	A true-to-name scent that contains white cedar, ylang ylang, cypress, and musk. It is a complex scent that elicits a simple response - this smells just like Baby Powder!	Sweet blend of rich vanilla and ripe cherries with a pinch of spicy clove.	A full bodied scent of rich spicy cinnamon.	Our Cranberry Woods fragrance combines the tartness of cranberries and sweetness of ripe berries with pleasing herbaceous accords.	This scent is a fusion of the following scents notes: golden bamboo, sparkling bergamot, grapefruit, night-blooming jasmine, cyclamen, muguet lily, and wild grasses.	Bright fruity bouquet reminiscent of fresh cut peaches.	A nostalgic hazelnut coffee blend.	Jamaica Me Crazy will transport you to the islands with its irresistible blend of coconut, pineapple, rum, tangerine, banana.	We've blended lavender and chamomile essential oils to create a fragrance that is soothing, intricate, and strong.

Love Spell	Pumpkin Caramel Crunch	Raspberry Sangria	Sandalwood	Vanilla Bean	White Birch
The ultimate blend of fruit and floral. True to the Victoria Secret scent.	Our Pumpkin Caramel Crunch begins with scrumptious caramel and blends in accords of sweet vanilla and pumpkin.	We start with a pile of juicy red raspberries, add some cherries and grapefruit, lots of sweet red wine poured on top, and a hint of orange as a garnish!	Complex and sophisticated, our Sandalwood fragrance has a woody top note mixed with a base of musk and earth tones. A smooth, masculine scent	Year after year vanilla reigns supreme as the best selling scent. With its intense vanilla aroma and subtle touch of cream	Our White Birch fragrance adds a new layer of sophistication to traditional pine scents with vivid notes of eucalyptus, cypress, and sweet tonka beans.
