

## Skyward Family and Student Access.

Dear Parents/Guardians,

The Penn Hills Charter School of Entrepreneurship (PHCSE) is pleased to announce the implementation of Family/Student Access by Skyward, Inc. Family/Student Access is a secure internet based website that will allow you to easily keep track of nearly everything your student(s) does while at school, including their progress reports and report cards. Among other things, this new service will allow you to view your student's attendance, grades, schedule, progress, assignments, and emergency contact information. Family/Student Access is available to all parents and students at PHCSE. Due to the importance of the Skyward system, we are no longer providing families with paper copies of progress reports and report cards. Therefore it is crucial that you log into your account at your earliest convenience.

We are very excited about how Family/Student Access will help you stay informed about your student's progress and hope that we can use this tool to create a stronger relationship between families and our school community.

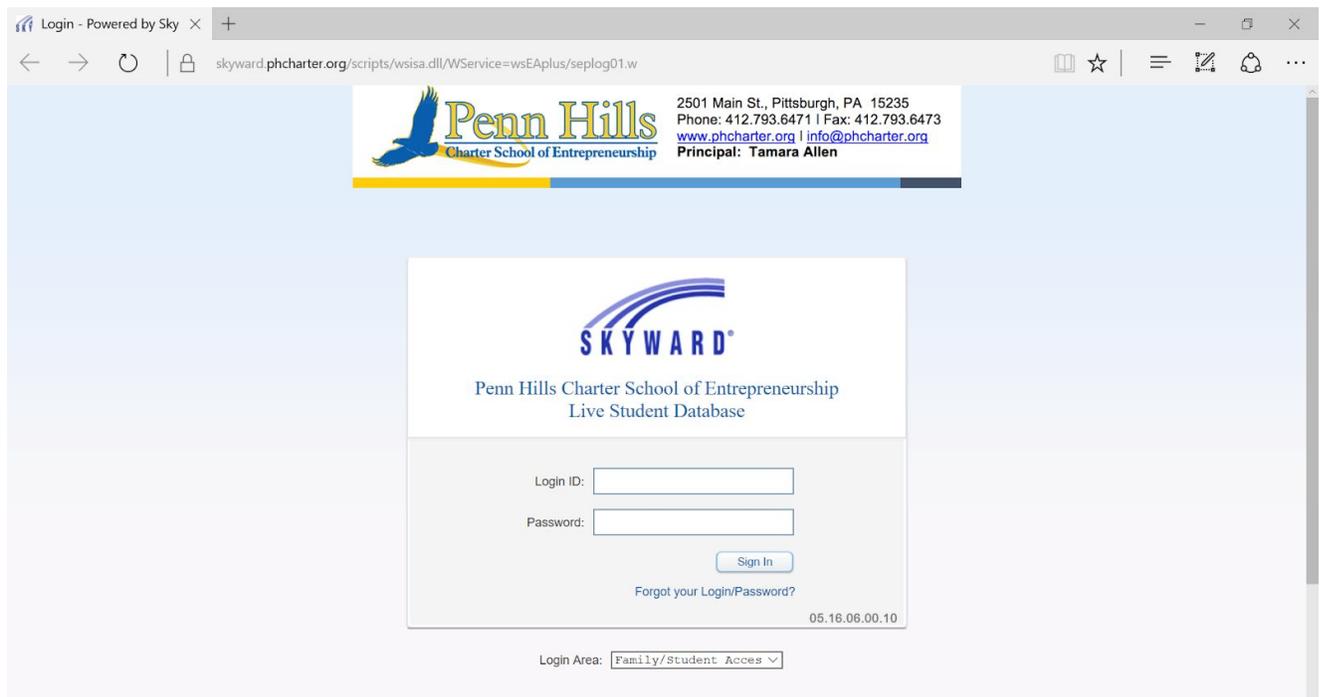

Please visit the PHCSE website at <http://phcharter.org/skyward-familystudent-access/> to find the link to Family/Student Access or use the following web address.
