

March 19, 2020

Dear Parents/Guardians,

As schools, students, families, and communities plan for and experience closures, Penn Hills Charter School of Entrepreneurship is committed to providing ongoing academics, guidance, and resources as we sort through this unprecedented situation together. Thanks to our teachers, all students should now have the resources needed to engage in learning during the state-mandated school closure. If you have questions/concerns please do not hesitate to email your teacher between 8:30 a.m. - 3:00 p.m. Please allow 24 hours for the staff to respond. Please remind students when emailing teachers to use proper email etiquette as referenced in the following [link](#).

If you have specific questions about your child's health or the health of a family member, you should contact your family's healthcare provider. The health and safety of our learners and staff are our top priorities. Please understand that the situation remains fluid, and change is to be expected. However, we will get through this together as we are committed to doing what is best for our students, parents/guardians, staff, and teachers.

We continue to monitor the local and national developments regarding the COVID-19 virus and have made preparations to respond to how the virus may impact our community. Please review various sites such as: <https://www.health.pa.gov/topics/disease/Pages/Coronavirus.aspx>

At present, **PHCSE will remain closed through March 27, 2020**. We appreciate your understanding and patience as we navigate these uncharted waters. We miss our students and staff very much and appreciate your flexibility during this difficult time. Please take care of yourselves and each other!

With High Regard,

Wayne Jones
CEO
